MindMatrix.Net Gets Total Makeover

We at MindMatrix are constantly developing new enhancements to our software, to provide the most efficient and user-friendly product that we possibly can. In keeping with that philosophy, we recently completed a major renovation of our **company website**. The site is now more streamlined, easier to navigate, and more informative, to better meet the needs of both current and potential MindMatrix clients.

For current clients, the new and improved **www.mindmatrix.net** is the information center and Mission Control for all things Vision and inVision:

- Login to your existing Vision or inVision account
- Access the MindMatrix Support Center
- Sign up for upcoming Webinars to optimize your inVision user experience
- Check out the most recent editions of the MindMatrix blog and *MindMatrix Connection*
- Keep up-to-date on the latest products and services available from MindMatrix

To check out our site, navigate to **www.mindmatrix.net**. You can leave feedback for our team at any time - simply click the "Client Support" button and use the "Submit a Ticket" function.

MindMatrix, Inc. is the industry's leading provider of marketing automation software for residential and commercial real estate professionals.

Upcoming Webinars:

- *"How To" with inVision 3.1.2*
Back by popular demand - an overview of inVision's newest features, including the Information Editor, sending a flyer as an email, and more.
- *What Your Email Campaigns Can Tell You*
Tips on gathering important data from your email campaigns, using the results tracker, link tracking, and more.
- *The Design/Layout Editor*
A detailed look at the options and enhancements available in the Design/Layout Editor.

To sign up for a Webinar, navigate to **www.mindmatrix.net** and use the "Click to Sign Up" link (located in the bottom right corner of the main page).
